

What she wants you to know about her:

While I appreciate the experience in insurance and especially the people, I have met along the way over the past 13+ years, I am thrilled to announce I have made a career move.

I started last week (Aug. 13) as the new Administrative Assistant at Praise Lutheran Church. It's a wonderful, welcoming place and I feel very blessed to be here.

I was raised "in the church" and I went to a Lutheran parochial school until 6th grade. I am still a member of the same Lutheran Church.

For over 10 years I was employed by and worked with Mr. Bill McClish, who sold church insurance for over 34 years. This, along with my other past experiences like working for the Noble County Council on Aging (a non-profit organization), I feel these experiences have helped prepare me for this opportunity. I really fell like God has brought me to Praise, and I'm really excited to see what the Lord has in store for the future. This is all part of His plan!
